## **Product Warranty**

This NAT Seattle product is warranted to be free of defects in workmanship or performance for 2 years from date of installation by the end user.

The warranty shall be void if the equipment is not installed in accordance with installation instructions, or if there is evidence of misuse, abuse, alteration, incorrect installation, or unauthorized repairs. NAT Seattle assumes no liability for any consequential damage caused by installation, use, or misuse of this equipment to any persons or other components.

Upon approval by NAT Seattle, the warranty covers all material and labour, but does not include and freight, customs brokerage or other handling charges that may be incurred to deliver and return the defective item. This warranty does not cover the cost to remove or re-install the product in the aircraft or other mounting.

It is NAT Seattle's sole discretion to repair, or replace with a new or reconditioned unit, within the warranty period any unit returned, freight prepaid to NAT Seattle.

This warranty is in lieu of all warranties, expressed or implied, including any warranty of merchantability or fitness, and of all other obligations or liabilities on the part of the seller.

NAT Seattle reserves the right to make changes, additions, or improvements in design to its equipment without obligation to install such additions or improvements in equipment theretofore manufactured. NAT Seattle is the final arbitrator concerning warranty administration.
